

BEST WISHES FROM THE CREW!!

Each year I look at this paragraph and think I need to change it up. Honestly there is no better way to put it! With that said, we once again say “many thanks” to all of our customers. This thank you is very sincere and not taken lightly. It is you, our customer, Who makes our business a success. We hope you have found our service and facility to be the best available. We are always striving to provide you with the highest quality of products, facilities and service. We appreciate your business in today’s competitive market and look forward to serving you in the upcoming year. Welcome 2016!!

GENERAL

Welcome to 2016. Did everybody adhere to last years resolution—to play more and work less?? If not, make it happen this year!! And that of course means more fishing and boating cuz that’s where the fun’s at!!!

The marina will close at 4pm on Thursday December 31st (New Years Eve). We will be closed (to recover) on Friday, January 1st and will reopen January 2nd.

SHIP'S STORE

Hope Santa paid close attention to your list this year. If not or if you got holiday \$\$, we have lots of stuff we’re sure would make you and your boat very happy! If you’re shopping for tackle or marine hardware and supplies, you will find that we are very competitive in pricing. Our pricing is good all the time!! We have a great selection of island décor. We also have nice clothing for the fisherman including the Salt Life & Tormentor line.

MORE GENERAL

We have continued on with putting more security camera’s in place throughout the marina. Of course these can only be used, for the most part, as a deterrent. We appreciate your keeping an eye out as well and reporting any suspicious activity. Please make sure the access gates close behind you. Also be sure to close bathroom and laundry doors when you leave.

WISHING YOU A HAPPY BOATING SEASON IN 2016!!
